DONALD J. TRUMP & ERIC TRUMP UNVEIL NEWEST ADDITION TO TRUMP ESTATE COLLECTION, ALBEMARLE ESTATE AT TRUMP WINERY

Trump Winery Cements Destination Status with Addition of Luxurious Guest Accommodations

Charlottesville, VA (July 14, 2015) – Donald J. Trump, Chairman & President of the Trump Organization along with Eric Trump, Executive Vice President of development and acquisitions for the Trump Organization and President of Trump Winery, unveiled today the stunning Albemarle Estate at Trump Winery in Charlottesville, Virginia. In attendance today for the official grand opening ceremony was the Honorable Sec. Todd Haymore and many local officials and special guests. Albemarle Estate at Trump Winery has been transformed into the most luxurious estate accommodations on the east coast and now features ten magnificent guestrooms.

“I am honored to officially unveil the Albemarle Estate at Trump Winery. This magnificent hotel situated on over 1,300 incredible acres right next to Monticello and Ash Lawn-Highland, has been transformed to the highest standards of luxury and five-star service --- there is truly nothing else like it,” said Donald J. Trump

Albemarle Estate at Trump Winery, reminiscent of a classic Georgian-style home, epitomizes high-style in the tradition of the English country manor. The 45-room, 26,000 square-foot mansion designed by world famous architect David Easton, and called “one of America’s true treasures,” now offers a guest experience unlike anything else, featuring one breathtaking room after another with exquisite interior and exterior designs constructed with the utmost attention to detail. The dining room, with its twenty-two foot hand carved plaster ceiling, antique English rococo mantle with ornate gilding, and hand painted wallpaper is a spectacular place to enjoy breakfast served daily. The living room, with a 1760 hand blown Waterford crystal chandelier, 18th century marble mantle, twenty-two foot ceilings, and antique Steinway grand piano welcomes you as the perfect place to curl up with a book or gaze out to the gardens. The library, crafted from 150 year old English oak will transport you to an English manor. With a large screen TV, surround sound, billiards table, and bar, this is a great meeting place for an afternoon drink. Complementing the high-style of the mansion are exquisitely manicured English gardens, designed in collaborations between internationally acclaimed architects and landscape architects.

Eric Trump, President of Trump Winery, commented, “I am absolutely thrilled to officially open what will undoubtedly become the best boutique hotel in America. When combined with our incredibly sought after and award-winning wines, we have created the ultimate destination on the East Coast. Today marks the culmination of many months of meticulous work by our wonderful team here and I am grateful for their dedication and effort.”

The estate's exclusive ten rooms are located in the main house, pool house and luxuriously rustic log cabin. The spacious, impeccably designed guestrooms seamlessly mix elegant grandeur with modern convenience and were cultivated with the most discerning travelers in mind. Each room features king beds, Italian-marble bathrooms, fine Italian Bellino linens, high-speed wifi, 55-65 inch flat screen HD smart TVs, Nespresso beverage machine, in-room safe, plush bathrobes, Trump Spa bathroom amenities, and more. Guests will also enjoy gym facilities, indoor sauna and hot tub, outdoor pool and hot tub, private movie theater, croquet lawn, and world-class service.
