## **Trump Winery Achieves Remarkable Success at the San Francisco International Wine Competition**

Charlottesville, VA – January 10, 2024 – Trump Winery is proud to announce its remarkable success at the 2023 San Francisco International Wine Competition (SFIWC). In a display of exceptional winemaking craftsmanship, four of Trump Winery's exquisite wines have been awarded the coveted Double Gold Medal, a testament to the winery's unwavering commitment to excellence.

The SFIWC is recognized as one of the largest and most influential wine competitions worldwide. Over the course of three days, a panel of more than 20 expert judges tasted and evaluated more than 2,100 wines from over 690 wineries, ultimately determining the winners. Trump Winery's notable performance in the 2023 competition has garnered significant international acclaim, positioning the winery prominently on the global stage.

The newly released 2016 Sparkling Rosé, crafted using the traditional Méthode Champenoise, stood out as the *only* sparkling rosé in the entire competition to clinch a Double Gold medal.

The 2022 Chardonnay stood out among competitors. As just one of two Chardonnays from the United States awarded a Double Gold medal.

The 2022 Sauvignon Blanc was also distinguished, being one of only three in this varietal to be honored with the Double Gold medal.

The Double Gold for our 2021 New World Reserve, a distinguished Bordeaux-style blend, signifies a pinnacle in our winemaking, showcasing its sophisticated, layered character. This flagship wine reflects our unwavering commitment to blending quality with depth.

"I am incredibly proud of Jonathan and the entire team. These prestigious awards confirm our commitment to producing wines that resonate on both a national and international stage.
